Hello Mike,

Thank you for the application submitted by the Wilshire Center Business Improvement District for the 2016 Great Streets Challenge. Mayor Eric Garcetti launched the Great Streets Initiative to help re-imagine our neighborhood centers, one street at a time.

We are excited to report that we received 37 robust applications for this year's Challenge. Given the competitive nature of the program, we are unable to award your project at this time. However, we strongly believe that all of our great neighborhoods deserve Great Streets that are livable, accessible, and engaging public spaces for people.

We look forward to working with more community partners like you, to develop and build upon visions for each corridor. We strongly encourage you to reapply in the coming year. We also hope to improve our process year over year. If you have suggestions for the program, please fill out the survey at <https://goo.gl/forms/q3HcJX2ieRIYW81X2> . After all, no one knows more about our neighborhoods than you.

Regards,

Qiwana Williams
